

Dholera has been awarded the **“Green City”** and the **“Best City for Integrated Planning”** awards by the Global Green Future Summit & Leadership Awards, World CSR Congress, respectively.

Global Green Future leadership and World CSR congress are for any organization that participates in environmentally friendly or green activities to ensure that all processes, products, and manufacturing activities adequately address current environmental concerns while maintaining a profit. In other words, it is the Green Future that "meets the

needs of the present world without compromising the ability of the future generations to meet their own needs. It is the process of assessing how to design products that will take advantage of the current environmental situation and how well a company's products perform with renewable resources.

“Dholera pavilion at Vibrant Gujarat generated high footfall resulting into many inquiries which are being pursued to get suitable anchor investors”

- Mr. Ajay Bhadoo, IAS, MD DICDL and CEO DSIRDA

CEO DMICDC visiting the Dholera pavilion

Pujya Brahmivhari Swamiji & Honourable Revenue Minister Bhupendrasinh Chudasama

Airbus signed an MOU for setting up of an Aerospace & Defence Development cluster in Dholera. In all, 31 MOU's were inked for investment in Dholera.

Dholera had a successful pavilion at Hall 5, Vibrant Gujarat '17 and was one of the star attractions. The Dholera pavilion attracted a large number of visitors interested in establishing manufacturing facilities & social infrastructure within the immediate development area (Activation area) of Dholera SIR. Most visitors were surprised & expressed satisfaction at the fast paced infrastructure implementation in the immediate development area.

Airbus signed an MoU with Dholera Industrial City : Mr Pierre de Basusset, President Airbus and Mr Ajay Bhadoo, IAS and MD of DICDL
